

ENVIRONMENTAL POLICY STATEMENT

MLB Steel Ltd will plan, conduct and monitor its operation using the best practicable means to protect the environment from impairment. Responsibility for the environment is raised equally with that for research, development, production, sales and finance. The company's objectives are: -

- 1) To minimise any disturbance to the local and global environment and to the quality of life of the local community in which the company operates.
- 2) To comply fully with all relevant statutory regulations.
- 3) To maintain the appearance of the premises to the highest practicable standards.
- 4) To take positive steps to conserve resources, particularly those which are scarce or non-renewable.
- 5) To assess. In advance where possible, the environmental effects of any significant new developments and to adjust the company's plans accordingly.
- 6) To provide the information necessary to enable the company's products to be properly used, stored and disposed of so as to avoid unacceptable effects on man or the environment.
- 7) To provide the information necessary to enable employees to operate the processes properly with minimal effects on man or the environment.
- 8) To comply fully with our customers environmental policies as far is reasonably practicable.

It is the responsibility of all employees to adhere to this environmental policy.

Signed:

Chad Ward
Managing Director
